

# Wake Robin

A Family Farm

**December 2, 2013**

Today is ["Giving Tuesday"](#), a day for charity and giving back. Since [Heifer International](#) is doubling all donations made today, we decided to increase the impact of our gift by making our annual contribution today!

This year, we thought it would be appropriate to give a share of a ["Milk Menagerie"](#) in honor of our customers. We choose to support Heifer International because not only do they give livestock, they also provide essential training in the care of the animals. We also admire the organization's dedication to promoting a cycle of positive change through their philosophy of ["Passing on the Gift"](#).

We have been given many gifts, including your support of our family farm. Today, we are "passing it on" to small farmers in need in other parts of the world.

**Thank You & Happy Holidays!**
