

Wake Robin

A Family Farm

December 22, 2016

Holidays and beyond...

CNY Regional Market WILL be open on 12/24 and 12/31, and we'll be there both holidays with bells on!

You'll find us there every Saturday, even after the holidays this year - we won't be taking a break from market this winter.

Along with making our full line of Jersey milk, yogurts, and cheeses, we'll keep baking cheese ciabattas and whole grain breads every Friday too, so stop by our farm to see the cows and stock up if you're in the area.

Our farm store is open 7 to 7, every day of the year. As always, if you have questions or need more information, give us a jingle at (315) 689-0034.

Happy Holidays!
