Sweet or Sophisticated?

Moldy cheese, anyone? How about some creamy chocolate milk? Whichever is your style, we've got it covered this week...

For the sophisticated palate, we've got *Trillium*, our scrumptious, rich, spreadable Brie style cheese. For the kid in all of us we have a fun, yummy, new product: *Chocolate Milk!* And for the truly adventurous, we dare you to try them both, together!

Find both products, along with everything else we produce, at the [farm](#) or at our [CNY Regional Market](#) stall. As always, feel free to call or e-mail if you'd like to reserve anything - we're always happy to put things aside for our loyal customers!
